

FPCCI to work with govt as an economic partner: Khattak

PESHAWAR: Chairman (Capital) of the Businessmen Panel and Former Vice President FPCCI, Muhammad Riaz Khattak said Federation of Pakistan Chambers of Commerce and Industry will now restructure its role and promote business and industry specific which facilitate the country business community.

In a press statement issued, here on Sunday, Riaz Khattak said President (Elect) of the FPCCI, Mian Anjum Nisar have a vast experience of Industry and he can surely review the dysfunctional policies of the Federation which hammers the businessmen in past. Now under the leadership of new FPCCI President, Federation has open for all business community with the vision to safeguard the interests of the economic interests of Pakistan.

“Now we will work with the PTI government as an economic partner and take FPCCI on a new high in the capacity the country largest apex trade body”, he maintained.

He also said that credit of historic success goes to the all team members of the BMP since 2015 as they work day and night for the betterment and welfare of the business community.

BMP Secretary General (Federal), Ahmad Jawad said, under the leadership of Mian Anjum Nisar, has been struggling really hard since many years and this year they succeeded in overthrowing almost all their opponents, the business and industrial community hopes that the newly-elected leadership at FPCCI would take practical steps to improve FPCCI's functioning and make it a vibrant platform.
