

KATI asks government to bring investment for industrial sector

President Korangi Association of Trade and Industry (KATI), Danish Khan has suggested that for long term economic stability government should put efforts to bring investment in industrial sector and it should be the part of our diplomacy. He welcomed the investment and bailout by Qatar and applauded Prime Minister Imran Khan on his diplomatic efforts for economic prosperity of the country. He said that Qatar is our brethren country and Pak-Qatar relations are broad based.

SM Muneer congratulated the PM on a successful state visit of Amir of Qatar. He said that during the current economic hardship, PM Khan played a remarkable role to get cooperation of our time tested friends and promoted economic relations with world. Danish Khan said that after China, KSA and UAE, PM successfully brought Qatar into the fold that Pakistan has great economic potentials. Vice President Faraz-ur-Rehman urged that as Qatar offered employment opportunities for Pakistani manpower, government should craft a comprehensive strategy to get benefit of this prospect.
