

French delegation due next month

ISLAMABAD: A delegation of 20 French companies, led by Chairman France-Pakistan Business Council Thierry Pflimlin is expected to visit Pakistan on April 8 to explore investment opportunities.

The visit is being organised by the largest French Business Confederation, Mouvement des Entreprises de France — the representative body of France's private sector at international level. The delegation will visit Islamabad, Lahore and Karachi to meet with government leaders as well as with representatives of the private sector.
