

CCoE asks Petroleum Division to submit monthly report on UFG

ISLAMABAD: The Cabinet Committee on Energy (CCoE) on Wednesday asked the Petroleum Division to submit a monthly report on Unaccounted for Gas (UFG) to the committee as Power Division has been doing on Power losses.

Finance Minister Asad Umar chaired the meeting and reviewed various proposals about gas losses and power recovery plan presented by petroleum and power divisions separately. The committee directed the Petroleum Division to take corrective measures to reduce gas losses.

The committee also directed both gas supply companies (SNGPL & SSGPL) to prepare a joint presentation, and present the same to Task Force on Energy before submission to CCoE in its next meeting.

In order to ensure recovery from the defaulters, CCoE directed Power Division to implement the Electricity Act in letter and spirit by disconnecting the connections of defaulters. The committee was briefed by the Power Division about the status on Efficiency Tests Report for Independent Power Producers (IPPs). It was informed that the mandatory test had been carried out for all the seven units. The data analysis had been completed for five units while the same with regard to the remaining two units was presently underway.
