

TMA hails Shabbar's appointment as FBR chief

KARACHI: Towel Manufacturers Association of Pakistan deeply appreciate appropriate decision of Prime Minister Imran Khan appointing Syed Shabbar Zaidi as a Chairman of Federal Board of Revenue from Private Sector. We are optimistic that Pakistan will benefit from his appointment.

Indeed Shabbar Zaidi carries vast experience of finance, accounts and taxation matters. He is a professional and well versed with the country's tax law, key policy matters governing fiscal strategy, corporate regulation, foreign exchange regime, and main ailments of country's economy.

“We are confident that by his acumen he will be able to increase the Taxpayers base which is presently only 1.8 million out of 210 million total population of the country.”—PR
