

SNGPL clarification

LAHORE: This is apropos a Business Recorder news item "PHMA seeks SNGPL's support to achieve export target" carried by the newspaper the other day.

"In this regard, we would like to clarify that Sui Northern Gas Pipelines Limited is supplying consistent gas supply to the Knitwear Units. Some demand supply issues may exist owing to the high consumption requirements at Sehr and Iftar. Adequate pressures are available at all other times. Even in the last winter, Industry was continuously given over 300 MMCFD gas to ensure adequate pressure.

"SNGPL always addresses its consumer's complaints on war-footing basis and hence the general impression given in the article is incorrect to say the least. SNGPL remains committed to GOP vision at all times. SNGPL is fully committed to serving its valued consumers particularly Export Oriented Sector which is the back bone of our economy. SNGPL in line with the Government of Pakistan's policy is giving top priority to Export Oriented Sector particularly Textile of the country to boost economic growth."—PR
