KARACHI: Engr Daroo Khan Achakzai, president of the Federation of Pakistan Chamber of Commerce and Industry (FPCCI) and S M Muneer, leader of the business community have urged the chairman NAB, former Justice Javed Iqbal to withdraw all the notices/references and cases, lying pending in courts, against the members of trade and industry.

Hailing the decision of former Justice Javed Iqbal, Chairman National Accountability Bureau (NAB) that the business community would not be subjected to NAB enquiry or summoned to NAB Office, they lauded the establishment of a Complaint Cell headed by a director in the NAB Headquarters and issuing directions to its all regional heads to address the complaints of business community within 48 hours.

They warmly welcoming the decision of NAB's Chairman added that it would boost the morale of the business community who besides many odds and multi-faceted challenges had been making contribution to keep the production-wheel rolling and improve precarious condition of the country's economy.

They said that Chairman NAB's decision would go a long way in restoring the confidence of the business community and the trade and industry would now concentrate on their normal business activities with peace of mind fearlessly.
