# CONGRATULATIONS

Prime Minister Imran Khan and his government's dynamic and progressive policies are yielding results.

Despite COVID-19 induced global recession, Exports for July 20 are up 5.8% over July 2019, while Textile Exports increased by a record 14.3%

**This momentum has to be nurtured and accelerated**

TRADE SUMMARY \$ Million			
	Jul-20	Jul-19	% Change
Exports	1,998	1,899	+5.80%
Imports	3,540	3,696	-4.20%
Balance	-1,542	-1,808	-14.70%

  

TEXTILE EXPORTS \$ Million			
	Jul-20	Jul-19	% Change
Textile Exports	1,276	1,116	+14.3%

**The following need your urgent attention for accelerating export growth even further.**

- Continuation of Regionally Competitive energy tariffs; 7.5 Cents/Kwh Power; \$ 6.5/MMbtu RLNG and Rs.786/MMbtu Domestic Gas for Export Oriented Sectors.
- Financing Scheme on pattern of New Industry Financing as per circular no IH&SMEFD Circular Letter No. 09 of 2020, for reviving \$2 Billion Closed Capacity (No write off involved).
- Extend LTFF and ERF to cover the entire value chain including SMEs and Indirect Exporters.
- For sustainable and exponential export growth, notify and implement Long Term Textile Policy.

**This will facilitate investment in new projects and in up-gradation and expansion of existing capacity to match changing export requirements.**
