

We appreciate the Prime Minister IMRAN KHAN
and his dynamic team for paving way for economic revival!

Government's exemplary initiatives are yielding results

- Exports regained growth momentum by surging 25.08% in July-20 against June-20 and 6.04% over the corresponding month of last year.
- Trade deficit shrank by 10.24% in July-20.
- Textile exports expected to grow at 18%-20% in near future.

**THIS COULD BE A GAME CHANGING OPPORTUNITY AND
CARVE A PATHWAY INTO A FUTURE OF GROWTH-LED ECONOMY**

In order to maintain the momentum and continue with full confidence....

WE REQUEST:

- Continuation of sustainable energy package (Electricity @7.5 cent/kwh (all-inclusive) and RLNG @ US\$ 6.5/mmbtu) for textile chain.
- Timely payment of all the refunds & incentives.
- Payment of outstanding Duty Drawback of Taxes (DDT) and textile policy incentives (Technology Upgradation Fund (TUF) & Mark-up support)
- Establishment of LTU at Faisalabad.

Together we can!
