

TDAP awareness session on SMEs held in Sukkur

KARACHI: TDAP session was held on 20th February at Sukkur in collaboration with Sindh Chamber of Agriculture to provide initial awareness about provisions and facilities/services conferred by financial institutions to local SMEs of potential products.

Wherein, the representatives of State Bank of Pakistan Sukkur, Commercial Banks, Islamic Banks and Microfinance Banks along with the Sindh Enterprise Development Fund and TDAP Sukkur provided comprehensive presentations about their provisions to SMEs. The event was attended by the representatives of the local agriculturist, local traders/business community and local exporters of potential products.

Syed Miran M Shah-President Sindh Chamber of Agriculture highly appreciated the support of TDAP Sukkur and expressed feelings of warmth on this occasion. In his remarks, he underlined that the banks should differentiate their policies and regulations between growers and traders/exporters and growers should be exempted from high interest rates and extensive banks documentation procedures while getting loans. —PR
