

**Bangladesh aims to meet \$50 bn export target by 2021**

KARACHI: Bangladesh aims to meet a challenging \$50 billion export target by 2021 and wants Pakistan to expand its investment partnership with it for making the most of the opportunities available in the world's second largest garments' exporter.

"I invite Pakistani businessmen to import more from Bangladesh," said Tarik Ahsan, High Commissioner of Bangladesh, in a seminar titled "Taking Bangladesh where export and investment grow better" organised by his office at a local hotel.
