KARACHI. The Sindh Employees Social Security Institution (SESSI) head office in Gulshan-e-Iqbal was closed temporarily after at least 25 SESSI employees tested positive for coronavirus on Wednesday.

Those affected include the procurement director, six employees of Kulsoom Bai Valika Hospital and six health workers at SESSI's Social Security Hospital in Landhi.

Sindh labour secretary Abdul Rasheed Solangi stated that other SESSI employees and the families of the infected employees would also be screened, adding that the head office had been closed for disinfection.
