'Cut power to top 50 defaulters'

ISLAMABAD: The Power Division has directed all power distribution companies (Discos) to disconnect connections of top 50 running private defaulters.

The compliance report might be furnished by Friday, the spokesman of Power Division said on Wednesday.

He said that it would also help increase recoveries of power sector.

It is pertinent to mention here that names of the running defaulters and dues pending against them have already placed on PITC website.

All updated lists would be uploaded at the website by Thursday night, the spokesman said.
