

**Advisory for factory owners**

HYDERABAD: The Chairman Hyderabad SITE Association of Trade and Industry Mazhar-ul-Haq Choudhry has advised the mill and factory owners to ensure availability of sufficient stock of masks and sanitizers for their workers as precautionary measures against Coronavirus

Presiding over a special meeting of the executive committee of association here on Friday, he said Coronavirus is a threat to human life and there is the need to wage war against this pandemic by ensuring safety of the mill and factory managements and workers. He said the workers are backbone of any mill or factory and there safety should be the top priority of the mill and factory owners.
