FPCCI WELCOMES GOVERNMENT'S MOVE TO REDUCE POWER TARIFF

Federation of Pakistan Chambers of Commerce and Industry (FPCCI), on behalf of Industry, Trade and Service sectors across Pakistan highly appreciates you for accepting the business community's demand to cut production cost.

The apex trade body, representing Pakistan's all 130 Trade Associations, 59 Chambers, 17 Women's Chambers, 9 Chambers of Small Traders, and 7 Joint Chambers, considers it a great moment for the whole of the country.

WE WELCOME

- 1) Cut in power tariff for Small and medium-sized enterprises (SMEs)
- 2) Elimination of peak-hour charges from industrial electricity tariffs
- 3) 50% discount on consumption of additional units for B1, B2 B3 connections
- 4) 25% discount on additional consumptions for industrial connections for 3 years

It will boost productivity, lower costs, encourage manufacturing, enhance exports and generate employment.

We express confidence in government policies and assure to continue to work with it for the prosperity and economic development of the nation.
