TDAP shifts to E-Office System

KARACHI. The Trade Development Authority of Pakistan (TDAP) in collaboration with the National Information Technology Board (NITB) implemented E-office System initially at its headquarters at Karachi, which will be further rolled up in its regional and sub-regional offices all over the country. In the first phase, NITB Deputy Director Saifur Rehman imparted training to more than 20 officers of TDAP as master trainer for effective implementation of E-Office System at TDAP headquarters, Karachi. TDAP has achieved level 02 on November 10, 2020 by moving its first E-File through E-Office System by the TDAP secretary. PRESS RELEASE
