claiming to
have
non-taxable
income but
evidence to
the contrary
exists

More than
3.5 million
NTN holders
required
under law to
file returns
are failing to
do so

7.4 million
individuals
whose
withholding
tax is being
deducted,
but they fail to
file returns
as required
under law

Over 100,000
registered
companies
but more than
50,000 are not
filing returns
as required
under law

105,000
STRN holders
who do not file
their returns as
required under
law

FRIENDLY ADVICE

All persons/companies having
taxable income are advised to
contact us to file returns and
avoid punitive consequences
