AZHAR**
Minister Industries
& Productions

Congratulations

on accomplishment of growth in Exports of Apparel by 18.87% & Home Textile by 17.75% in Sep-20 over same month of last year despite COVID19

Huge export orders are coming to Pakistan, despite COVID19

THIS IS A GOLDEN OPPORTUNITY TO ACHIEVE A MILESTONE IN EXPORTS

However, **cotton yarn - basic raw material is unavailable** for apparel & home textile sectors in local markets which may lead to decline in textile exports

Spinning Sector is allowed duty free import of cotton while Apparel & Home Textile Sectors are not allowed duty free import of cotton yarn which is a discrimination

TO CONTROL ANY DECLINE IN EXPORTS DUE TO UNAVAILABILITY OF COTTON YARN AND FOR CONTINUOUS GROWTH IN EXPORTS

**WE DEMAND
TO ABOLISH CUSTOM & REGULATORY
DUTIES ON IMPORT OF
COTTON YARN - BASIC RAW MATERIAL**

Pakistan Hosiery Manufacturers & Exporters Association
Pakistan Readymade Garment Manufacturers & Exporters Association
Pakistan Knitwear and Sweater Exporters Association
Pakistan Cotton Fashion Apparels Mfrs. & Exporters Association

LOW INVESTMENT - HUGE EMPLOYMENT - HIGHEST VALUE ADDITION - MORE EXPORTS
