

**Petrol prices remain unchanged**

ISLAMABAD: The federal government has decided to keep the prices of the petroleum products unchanged for the month of October.

The price of High Speed Diesel (HSD) will remain Rs104.06, petrol Rs103.97, kerosene Rs65.29, and Light Diesel Oil will be Rs62.86 in the month of October

The Oil and Gas Regulatory Authority (OGRA) has recommended to reduce price of petroleum products by adjusting its taxes and levy on petroleum products in a fortnightly review (October 16-31).

Sources said that the average Brent crude oil price reduced from \$45 per barrel in August to \$42 in October 2020, in the international market, and Pakistan rupee had become stronger against the dollar.

The federal government reduced petroleum levy (PL) on MS, maintained it on high speed diesel (HSD), and increased it on SKO and LDO.
