### **Remittances**

PRIME Minister Imran Khan wants overseas Pakistanis to send remittances through banking channels.

I received, through the banking channel, the remittance in Canadian dollars, in an equivalent amount in Pakistani rupees, credited in my account in a Pakistani bank on July 16.

Since then, I have been trying to get an encashment certificate from the branch.

According to them, the remittance came from Canada through another bank, and it has sent numerous emails to the other bank but no reply is coming from that bank.

I lodged a complaint at [info@ bankingmohtasib.gov.pk](mailto:info@bankingmohtasib.gov.pk) and got a reply saying: `We have referred this matter to a senior service contact at the bank for their needful action and revert to you.

On Oct 1 a call came from the my bank`s head office that it has informed the Banking Mohtasib that the other bank is not giving any feedback.

He informed me that the Banking Mohtasib can also take up this matter with the other bank.

If this is the banking system in our country, the prime minister will never get remittances through banking channels.
