

# PUBLIC NOTICE

Indus Motor Company ("IMC") is pleased to announce that the bookings of vehicles have now been resumed.

Keeping the customers' interest in view, IMC has decided to absorb a substantial portion of the hike in costs influenced by the recent economic developments.

The deliveries scheduled for the months of October & November, 2018, for which full payments have been received, will be delivered without any increase in price, i.e. IMC will endure the full cost increase. However, the deliveries committed for the months of November & December, 2018, for which partial payments have been received; only 50 % of the price increase will be charged to the customer, while the remaining 50 % will be borne by IMC.

From January, 2019, onwards, IMC will continue to absorb a considerable proportion of the cost increase; however a part of this increase will have to be taken care of by the customers, with regards to the revised prices.

The new prices of deliveries for the months of November & December, 2018 and for January, 2019, onwards, have been forwarded to our authorised dealerships, on 16th October, 2018.

**"IMC ENCOURAGES ITS CUSTOMERS TO MAKE PARTIAL PAYMENTS ONLY AND REQUESTS THEM NOT TO MAKE FULL PAYMENTS AT THE TIME OF BOOKING THEIR VEHICLES"**

We at IMC, continue to present the best offers to our esteemed customers and take this opportunity to extend our apologies for any inconveniences that may have been caused when bookings were temporarily halted earlier.
