Global transport of goods: Red Sea crisis causing severe disruptions

LONDON: The International Maritime Organization (IMO) is working "tirelessly" to solve the Red Sea crisis, which is severely disrupting the global transport of goods, its head Arsenio Dominguez told AFP.

Fiscal trajectory: Expert underscores role of taxation

PESHAWAR: Muhammad Umair Zeb, a leading tax expert has underscored the pivotal role of taxation in shaping the nation's fiscal trajectory. He said in a statement here that in the ever-evolving saga of Pakistan's economic journey, the vexing question of taxation looms large, beckoning a nuanced exploration of the nation's fiscal future.

FPCCI demands cost-effective, expanded rail cargo services

KARACHI: Atif Ikram Sheikh, President FPCCI, has demanded that Pakistan railways should offer reliable, cost-effective and expanded cargo services to the business, industry and trade community of Pakistan from Karachi to up country; as Karachi is country's industrial and trade hub.

SCF signs LoU with Sindh govt on training of 3,000 women cotton workers

HYDERABAD: Sindh Community Foundation has signed Letter of Understanding with Directorate of Literacy and Non Formal Education, Education and Literacy department Government of Sindh to train 3000 women cotton workers in Matiari and Sanghar districts.

PBC makes some fair points

It's unfortunate that Pakistan Business Council's (PBC's) recommendations about generating fairer and higher taxes will not be entertained till a new government is elected and has then had time to settle down.

Prices of essential food items in retail market remain high

PESHAWAR: Prices of essential food commodities, like live chicken/meat, vegetables, pulses, sugar, flour and others remained sky-high in the retail market, according to a survey conducted by business Recorder here on Sunday.

PKR makes small gains

KARACHI: The rupee gained marginally during the shortened previous week as it appreciated Re0.13 or 0.04% against the US dollar in the inter-bank market. The shorter, but crucial week for the country brought a 13th consecutive weekly gain for the local unit against the greenback.

Weekly Cotton Review: Prices continue to rise amid lacklustre business conditions

KARACHI: Cotton prices continued to rise during the previous week amid a limited business volume. There has been a significant increase in New York cotton prices, impacting domestic cotton markets also. To boost exports in the textile sector, it is advisable to offer low-interest rates and affordable energy to farmers.

DAWN NEWSPAPER

Political instability to haunt reforms

Pakistan's polarised elections that followed nearly two years of unrelenting political turmoil and ongoing economic crisis have intensified uncertainty.

More dollars parked abroad than remitted

The time around the elections is a stark reminder of how big the gulf between the rulers and subjects is. While political leaders brag about their past performance with quite an audacity, the actual experience of the masses proves those words to be hollow.

Establishing Pakistan as a globally recognised brand

A cursory glance at the global business landscape reveals the undeniable power of effective branding. Giants like Pepsi and Nike stand as a testament to this fact. Branding, at its core, is about crafting a unique and positive image of an organisation that resonates with people upon hearing its name.

Pakistan gets 300,000 doses of Pfizer vaccine as new Covid variants surface

ISLAMABAD: As new Covid-19 variants emerge across the globe, Pakistan has managed to obtain another 300,000 doses of the Pfizer vaccine.

THE NEWS INTERNATIONAL

IMF mission visit linked to new govt formation

ISLAMABAD: The visit of the IMF review mission to Pakistan is conditional on the formation of federal and provincial governments, which may be by the end of the ongoing month or early next month.

Crackdown on gas theft: SNGPL disconnects 268 connections, imposes Rs4m fine

LAHORE: During the ongoing crackdown on gas pilferers, SNGPL disconnected 268 connections and imposed a fine of Rs4 million in Punjab, Khyber Pakhtunkhwa and Islamabad.

600 Pak professionals embark on foreign careers

ISLAMABAD: In a landmark moment for employment mobility, 600 Pakistani professionals have embarked on international careers, following the successful negotiation of strategic employment agreements with global partners.

How production pressures plunged Boeing into yet another crisis

In October, Boeing CEO Dave Calhoun was asked how fast Boeing could raise output of its best-selling 737 MAX after a spate of quality snags. He was upbeat: Boeing would get back to 38 jets a month and was "anxious to build from there as fast as we can."

TRIBUNE NEWSPAPER

10 urgent challenges for govt

KARACHI: Unexpected events happen in Pakistan all the time. Two years ago, speculations were rife about early elections. Lately, conspiracy theorists believed elections would be delayed.

A 'boiling frog' situation

BRUSSELS: Pakistan's Rs38.8 trillion domestic and Rs24.1 trillion external debt mountain is a "boiling frog" phenomenon for the economy as higher deficits and ballooning debt servicing costs are unsustainable.
